Dear Sir,

With reference to your D.O. No.1998/C.B. dated 2nd September 1927 regarding a quiet platform for the special use of Their Highnesses at Mysore station, I beg to enclose herewith the plan of the proposed remodelling showing in brown colour the platform 400 feet by 30 feet proposed to be erected along with the remodelling work and providing island platform in the Mysore station. The platform will be a quiet one and can be used for the special use of Their Highnesses whenever they leave or arrive at Mysore privately.

The lines leading to the platform are outside the usual running lines in this station and whenever Their Highnesses use this platform for the reception and despatch of Their Highnesses' specials, the train will be piloted into or outside Mysore Station.

Yours sincerely,
